Symphony at The Tillers Celebrates its Official Grand Re-Opening
Ribbon Cutting and Tours of Beautifully Renovated Facility

Oswego, Illinois – The future of post-acute care has arrived in Oswego. Symphony at The Tillers, formerly The Tillers Nursing & Rehabilitation, will host its official grand re-opening with a ribbon cutting ceremony and celebration featuring tours showcasing the facility renovations.

Since becoming a Member Facility of the Symphony Post Acute Network on December 1, 2015, Symphony at The Tillers has undergone an extensive renovation and upgrade to the facility. Guests will enjoy tours of the newly renovated, impeccably designed facility, while enjoying delicious appetizers, prepared by Symphony's team of executive chefs, as well as cocktails and entertainment. Chamber members and elected village officials will be in attendance for the official ribbon cutting ceremony and formal remarks.

"We are incredibly proud to officially unveil Symphony at The Tillers to the Oswego community and our healthcare partners. We look forward to providing an unmatched level of post-acute care and rehabilitation in our newly renovated facility," said Tim Fields, president of operations for the Symphony Post Acute Network.

Members of Symphony at The Tillers along with Medical Director, Dr. John Karesh will be available to discuss post-acute clinical programming and capabilities along with Symphony's 5-star customer service and amenity program and more.

Guests will additionally enjoy complimentary valet parking.

For interviews or photos, please contact Lyndsay Czwornog at 630.973.8237

###

About Symphony Post Acute Network

The Symphony Post Acute Network is one of the most innovative providers of Post Acute Care in the nation. A proud family-oriented organization, Symphony takes a proactive approach to delivering quality outcomes for the guests in its care. With current locations in Illinois, Wisconsin, Arizona and Indiana, Symphony is committed to making every one of its Member Facilities the Provider of Choice in the community that it serves. Symphony's ability to meet patients' needs and offer a consistently high level of quality care is unmatched.

Symphony Post Acute Network Member Facilities provide a variety of Post Acute Services including Skilled Nursing & Rehabilitation, Assisted Living and Supportive Living. The Symphony Post Acute Network Rehabilitation & Skilled Nursing Programming focuses on chronic disease management programs, post hospital short-term rehabilitation, long term care as well as Alzheimer's and memory care programming. Symphony Post Acute Network Member Facilities work in concert with top area physicians, nurses and therapists. Its healthcare environments are filled with luxurious and comforting amenities that facilitate quick recoveries and optimal results. For additional information, please visit www.symphonypan.com.
